

Minutes of pre bid meeting held on Tuesday 14th July 2015 for the tender advertised as 'Tender Specification for Engagement of Disconnection Squad in NESCO Utility' the meeting was chaired by Sri S.Bhuyan , C.O.O NESCO

- Meeting started with the name of God. Potential bidders briefed by Sri. S. Bhuyan – C.O.O ,about the rationale of this tender and what NESCO is looking for as the output from this project.

Potential bidders were also informed about the bidding process and requirements, and also requested to submit the bids on time to avoid inconvenience. After detailed discussion and answering to the queries of potential bidders following clarifications/ decisions were taken.

Sl.No.	Query/request	Clarification/Comments
1	PageNo-5 Bidder asked, whether the use of Auto Rickshaw/Magic plus is compulsory or any other four wheeler can be used.	It is Preferably to use Auto Rickshaw/Magic plus but the purpose is to disconnect the defaulting consumers.
2	Bidder asked if only one bidder will be for a Division, then what will be the result.	Tender will be cancelled as per Govt. guide line w.e.f. 01.01.2015.
3	Page No-7 Bidder asked whether an Agency engaged in spot billing activity can apply for disconnection Squad or not.	Yes, one Spot billing Agency can apply for any Division except for those area where, the spot billing work has been awarded to them.
